

**Town of St. Albans
Public Safety Committee Meeting Minutes
Monday, October 17th, 2016
1pm**

Attendees: Al Voegele, Stan Dukas, Mark Leclair, Public Safety Administrator, Bob Cross and Town Manager, Carrie Johnson.

Opened meeting at 1 p.m. Minutes from September 19th, 2016 were approved.

LaQuinta Inn

Carrie provided an update from the police department on issues at the LaQuinta Inn; the Town doesn't have a lot of other information as it's a pending investigation.

Sharing Public Safety Services

Stan reported the Selectboard had supported the idea of approaching the City to inquire about sharing fire services. Given that support, Carrie met with City Manager, Dominic Cloud on September 27th. Dominic states he would support having the Town take over fire services for both communities and would be willing to attend a subcommittee meeting in the future to begin that conversation.

Bob C. stated he would get copies of the documents signed around 2010 when the two communities previously discussed sharing services.

Al stated he had learned that the cities of Barre and Montpelier had attempted to combine services and recently signed a Memo of Understanding. He will bring a copy of that recent MOU to the next committee meeting. Once the committee has had time to digest both what had been studied 6 years ago, and what appeared to be working in Barre and Montpelier, we will ask Dominic to attend a meeting.

Brick Program

Bob handed out an order form from the Pittsfield first responders buy a brick program and he will try to get us pictures of memorial in the next month. The Town and fire department may join their donations to buy a brick.

Schedule

The next meeting will be November 21st, at 1 p.m.

Adjournment

Meeting adjourned at 2:10 p.m.
