Street Name Application

(See most recent Town of St. Albans Street Addressing Ordinance)

Procedure

The developer of any subdivision or other construction resulting in additional streets shall propose the street names per the Town's Street Addressing Ordinance to the Zoning Administrator. The E-911 Coordinator will certify its conformity with State requirements. Street names shall be approved by the State E-911 coordinator in cooperation with the Assessor, Town Manager and Zoning Administrator. The State E-911 Coordinator has the right to deny proposed names. Please attach a copy of the plan showing proposed street name(s).
